National Geospatial-Intelligence Agency Announces Hiring Event; Targeted Positions in St. Louis and Washington

BETHESDA, Md. – The National Geospatial-Intelligence Agency has announced a national hiring event beginning April 18 through May 13. Selected applicants will be contacted for interviews at the end July for the following entry-level positions in support of NGA's global mission:

Intelligence Analysis and Scientific field

- Imagery Intelligence Analyst
- Geospatial Analyst
- Imagery Scientist
- Political Geographer
- Project Scientist
- Regional Geographer

Program Administration field

- Accountant
- Contract Specialist – DAWIA
- Counterintelligence Officers
- HD Consultant
- Recruiter

Information Technology field

- Enterprise Account Manager
- Information Assurance Officer
- Information Security Specialist
- Systems Engineer

Interested candidates should apply online at www.nga.mil, "Current Openings." All applicants must be U.S. citizens and able to acquire a top secret security clearance. In addition, most positions require a bachelor's degree or equivalent work experience for consideration.

The National Geospatial-Intelligence Agency is the nation's premier source of geospatial intelligence. As a Department of Defense combat support agency and a member of the U.S. Intelligence Community, NGA provides imagery analysis, maps, and geospatial data for U. S. national defense, disaster relief, and safety of navigation. NGA seeks to know the earth, show the way, and understand the world. For more information, visit www.nga.mil.

We are an equal opportunity employer and a drug-free work force.
